24th Annual Conference of
Indian Association of Gastrointestinal Endosurgeons

12th-14th February, 2027 | Pullman-Novotel, Aerocity, New Delhi, India

LAPAROSCOPIC

**TRANSFORMING MINIMAL
ACCESS SURGERY**

ROBOTIC

**ARTIFICIAL
INTELLIGENCE**

Welcome Message

Dear Surgical Brethren,

As we step into 2026, I warmly welcome you all to the **IAGES 2027 Annual Conference**, scheduled to be held in **February 2027** at New Delhi.

Throughout the academic year, you will experience a comprehensive IAGES academic calendar enriched with both national and international flavour. We have carefully curated Endoscopy, Laparoscopy, and Robotic workshops, along with CMEs and seminars, designed to benefit not only budding surgeons but also to further fine-tune the skills of experienced surgeons.

The IAGES 2027 New Delhi team, under the dynamic leadership of Dr. Deep Goel and Dr. Tarun Mittal, promises you a conference of a lifetime. We are expecting a stellar faculty comprising eminent National and International experts who have redefined the practice of modern surgery.

The Convocation Ceremony will be a grand gala event, graced by distinguished luminaries who will honour IAGES by serving as Chief Guests.

We invite you all to register early for the IAGES 2027 New Delhi Conference and take advantage of the early bird discount.

IAGES warmly welcomes you all.

See you soon in New Delhi.

Warm regards and good wishes.

Dr. K Govindaraj
President-IAGES

Message from Organizing Committee

Dear Friends

On behalf of the Organising Committee, it is our distinct honour and privilege to invite you to **IAGES Delhi 2027**, the **24th Annual Congress of the Indian Association of Gastrointestinal Endo-Surgeons (IAGES)**, scheduled from **12–14 February 2027** at **Pullman-Novotel Aerocity**, New Delhi, India.

IAGES Delhi 2027 is envisioned as a premier global forum dedicated to the integration of advanced laparoscopy, robotic surgery, and artificial intelligence, reflecting the rapidly evolving paradigm of Minimally Access Surgery. **The conference theme, “Laparoscopy. Robotic. AI: Transforming Minimal Access Surgery (MAS)”** highlights the expanding role of artificial intelligence in surgery, including data-driven decision-making, image-guided interventions, machine learning–based analytics, automation, simulation, and smart operating room technologies that are redefining surgical precision, safety, training, and patient outcomes.

The scientific programme has been thoughtfully designed to empower surgeons across all stages of practice by enhancing knowledge, refining skills, and encouraging critical thinking. It will include pre-conference courses, state-of-the-art lectures, live operative sessions, expert panel discussions, hands-on workshops, and original research presentations by eminent national and international faculty. Dedicated Meet the Mentor sessions, a focused Video Presentation Hall, and access to robotic, endoscopic, and laparoscopic simulators will further strengthen experiential learning and professional development, with special emphasis on the practical application of artificial intelligence in surgical planning, intraoperative guidance, performance assessment, and future-ready operating rooms.

Academic excellence will be further encouraged through awards recognizing the best article, best research work, best postgraduate thesis, best video paper, and outstanding poster presentations, fostering a culture of innovation and scholarly achievement.

Beyond its academic framework, IAGES Delhi 2027 will serve as a vibrant platform for professional networking, collaboration, and mentorship, bringing together surgeons, researchers, trainees, and industry partners from across the globe. By fostering meaningful dialogue and shared learning, the congress aims to build a future-ready surgical community committed to excellence, innovation, and patient-centered care.

New Delhi, the capital of India, offers a unique blend of rich heritage, cultural diversity, and modern infrastructure. The congress venue, Aerocity, located adjacent to Indira Gandhi International Airport, ensures seamless national and international connectivity and provides world-class convention facilities, premium hospitality, and a vibrant shopping and lifestyle environment, contributing to a comfortable and enriching congress experience.

We look forward to welcoming you to IAGES Delhi 2027 for an intellectually enriching, professionally rewarding, and memorable congress that advances integration, innovation, and excellence in minimally Access surgery.

Warm Regards
